ADMINISTRATION

# PRINCIPAL

Mr. Everett C. Lattimore

## Dedication

I am privileged to be able to serve with the members of our Hubbard family. My life has been deeply enriched and exceptionally rewarding because of our interpersonal relations. I am elated by the increasing number of students who consciously strive to improve themselves and their environment. It is rewarding to discern pupils who take increasing responsibility for their own learning and express a willingness to try to solve complex challenges with which they are unfamiliar. Indeed, my joy can hardly be contained when I perceive students who have matured to the degree that they can be open and honest with themselves and others. I am indebted to our staff, students, and community for making the role of Principal of Hubbard School an unparalleled delight.

"You may aid the man, . . . .you may  
guide him, . . . and above all. . .you  
may inspire him; . . . . but the only  
thing that is worth having is what  
he gets by his own exertions, and  
what he gets is proportionate to  
the effort he puts into it."
